## Hear Better | e-patient<sup>TM</sup> than You Have in Years with

*Recently, our center made a significant investment in enhancing your hearing care experience to ensure that you are always educated, comfortable, and confident on your path to better hearing.*

*The result of this investment and research? e-patient<sup>TM</sup>*

**e-patient<sup>TM</sup>** is a digitally-based, interactive visual education tool created to improve your overall hearing health.

**e-patient<sup>TM</sup>** is exclusive to AudigyCertified<sup>TM</sup> hearing care practices. You have access to the most cutting edge hearing care platform available today.

**e-patient<sup>TM</sup>** and your AudigyCertified Provider will show you the causes,

symptoms, treatment and technology options for your specific type of hearing loss. You'll feel confident knowing that you've made informed choices about your hearing health, so you can focus on connecting with your family, friends, and the activities you love.

Call today to schedule an appointment for your **e-patient<sup>TM</sup>** experience.

### Join us in giving Dr. Allison McKenzie a huge CONGRATULATIONS!

It is official!!! Allison received her Doctorate of Audiology (Au.D.) from Louisiana State University Health Sciences Center in New Orleans on May 19th.

to pursue a career in Audiology after enrolling in an introductory course on the subject while at LSU. She considers herself blessed to have found a profession she is truly excited about.

Dr. McKenzie spends most of her free time watching movies, reading, or playing with her three dogs, but her favorite hobby is traveling. She recently visited Ireland and England where she was able to spend time with her mother, who has worked in Iraq for the past three years. Dr. McKenzie looks forward to making HPC her professional home and our patients a part of her life.

In addition, she was honored at graduation with the "Outstanding Student in Audiology Award". She received her undergraduate degree in Communication Disorders from LSU in Baton Rouge. Dr. McKenzie decided
